WASHELA ROOM FRESHNER

Description

Washela room freshener offers a gentle and natural way to refresh your living space. Unlike aerosol sprays that contain harsh chemicals, water-based fresheners typically rely on essential oils and natural fragrances. When sprayed, the mist evaporates, leaving behind a subtle scent that doesn't overpower the room. These fresheners are often non-toxic and environmentally friendly

Direction for Use

Direction for Use

- * Shake well before use to ensure that the ingredients are evenly mixed.
- * Hold the bottle upright and aim towards the center of the room or area you want to freshen.
- * Depress the nozzle to release a fine mist into the air. Start with a few sprays and adjust as needed based on the size of the room and desired intensity of the fragrance.
- * Avoid spraying directly onto fabrics, furniture, or surfaces to prevent any potential staining or damage.
- * Allow the mist to settle and distribute throughout the room, leaving behind a subtle and pleasant fragrance.
- * Repeat as desired to maintain a fresh atmosphere.

Technical Data:

- * Clear & non toxic liquid
- * Odour: Perfume
- * Availability: Chandan/Mogra/Jasmine/Brute/Lamongrass/Citrus
- * Ph: 6-7
